

Dietrich

Reports his neighbours

Scenario 1: Fills out Compliance Violation Report

Summary

Dietrich sees his neighbour spraying illegal pesticides in the field beside his crops. He decides he wants to report this incident to the PMRA.

Tasks

- Opens the PMRA application
- Fills out his generic contact information such as Name, Email and Phone number
- Click the "Don't know what forum to pick" button
- Fills out the questionnaire regarding what happened
- Gets navigated to the Compliance Violation Report
- Fills out the form and presses submit

Context of use

Dietrich is angry his neighbours are spraying illegal pesticides so close to his crops. He uses a Samsung Galaxy 6 to use the app. He reports his neighbour with the PMRA application connected to his home wifi.
