Scenario 3: Respond to a PMRA consultation		
Summary	Tasks	Context of Use
Beau has strong opinions about a particular pesticide being considered by the PMRA. He has done some Internet research about the pesticide in question and wishes to bring this information to PMRA's attention.	<ul style="list-style-type: none">• Beau starts the application.• He navigates to the 'comment on PMRA consultation' screen and selects the pesticide in question.• He starts to type out his response in the commentary form, but midway through realizes that he needs further information.• He hits the 'save draft' button and closes the app.• After finding his research, he restarts the app and selects 'resume draft'.• He finishes his commentary, presses the submit button and saves his work.	Beau uses the app online to fill in this form as he has Internet connectivity. He uses the Galaxy 6 Edge.
